

## WESTERN AUSTRALIAN OCCUPATIONS IN DEMAND LIST

**Skilled Sponsored Visa (SSV) Subclass 176 (Offshore) and 886 (Onshore)**

**Skilled Regional Sponsored (Provisional) Visa (SRSV) Subclass 475 (Offshore) and 487 (Onshore)**

The Western Australian State Migration Centre will provide State Sponsorship for occupations on this list.

These occupations do not relate to any specific job vacancies, nor represent any guarantee of a job in these occupations, but rather identify skills that are in demand for industry sectors in Western Australia.

State Sponsorship applicants will have to compete with all potential employees in the Western Australian labour market in a normal competitive selection process to secure any available or advertised job.

The score listed as required under the International English Language Testing System (IELTS) is for the visa application only. The IELTS score required for registration and or licensing may be higher.
